

COMPANY PROFILE 2026

Made in the UAE. Delivered to the world.

The export house for UAE-manufactured goods.

Dubai
United Arab
Emirates

WHO WE ARE

One export desk for everything the Emirates manufactures.

Exportly sources directly from licensed manufacturers across the United Arab Emirates and sells to governments, distributors and industrial buyers worldwide. We consolidate products from many factories into one contract, one invoice and one set of shipping documents, and we arrange export financing for qualified buyers.

Languages we trade in

An industrial base built for export.

Scale manufacturing

Aluminium, steel, polymers, building materials, cables and food processing at world scale, backed by national industrial strategy.

World-class ports

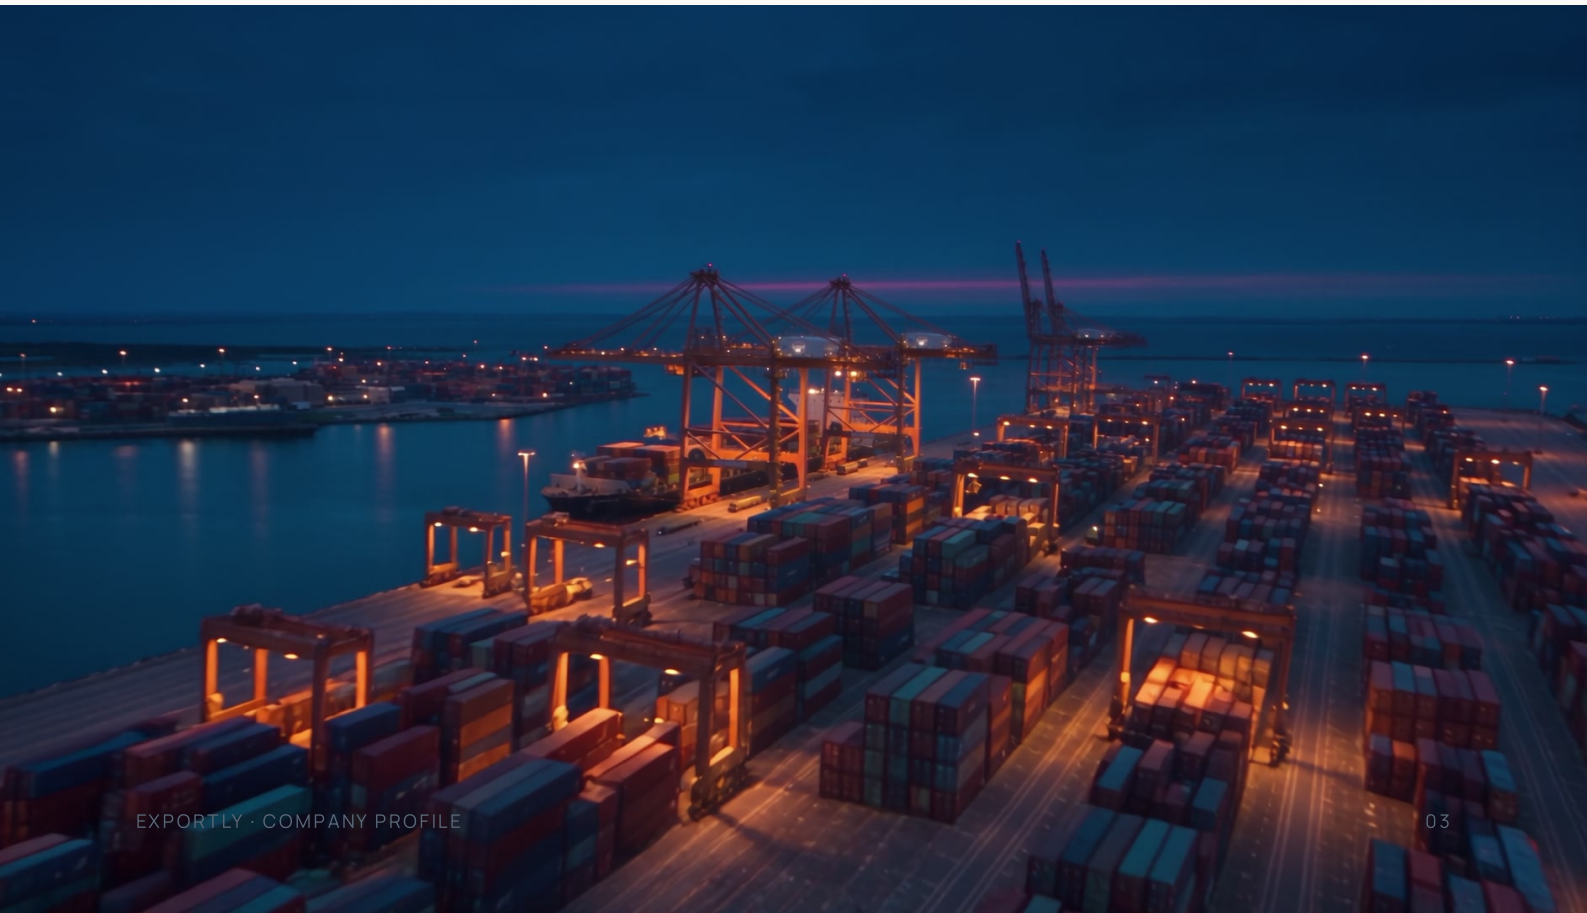

Deep-water container, bulk and break-bulk terminals with direct sailings to Africa, Asia, Europe and the Americas.

Trade access

An expanding network of Comprehensive Economic Partnership Agreements that lowers tariffs for UAE-origin goods in partner markets.

Currency stability

The UAE dirham has been pegged to the US dollar since 1997, keeping pricing predictable for USD contracts.

Nine sectors, one supplier.

Aluminium

Primary ingots, extrusion billets, foundry alloys and finished profiles.

Primary aluminium ingots P1020A	Al 99.7% min, 22.5 kg ingots in strapped bundles
Extrusion billets 6063 / 6061	Diameter 6 to 12 in, homogenised, cut lengths to order
Foundry alloy ingots A356	Low iron, for automotive wheels and castings
Aluminium extrusion profiles	Architectural and industrial; mill, anodised or powder coated

Steel

Rebar, wire rod, coil, structural sections and line pipe.

Deformed steel rebar B500B	8 to 40 mm, 12 m lengths, BS 4449 / ASTM A615
Steel wire rod	5.5 to 16 mm coils, SAE 1008 to 1018
Hot-rolled steel coil	1.5 to 16 mm thickness, widths up to 2,000 mm
Heavy structural sections	Beams, columns and sheet piles to EN / ASTM
Steel line pipe (ERW / LSAW)	API 5L, for water, oil and gas transmission

Polymers & chemicals

Polyethylene, polypropylene, urea, sulphur, lubricants and bitumen.

Polyethylene (LLDPE / HDPE)	Film, pipe and moulding grades; 25 kg bags or bulk
Polypropylene	Homopolymer and copolymer; raffia, fibre, injection
Granular urea 46% N	Bulk or 50 kg bags
Granulated sulphur	Purity 99.5% min, bulk
Lubricants and base oils	Engine, industrial and marine; drums, IBC or flexitank
Bitumen 60/70 and 80/100	Drums, jumbo bags or bulk

Building materials

Cement and clinker, float glass, ceramic tiles and gypsum systems.

Portland cement and clinker	OPC 42.5 / 52.5, SRC; bagged or bulk clinker
Float and processed glass	Clear, tinted, laminated and insulated units
Ceramic and porcelain tiles	Floor and wall, 60x60 to 120x240 cm
Gypsum board and plaster	Standard, moisture and fire rated boards

Cables & electrical

Power and building cables, transformers and switchgear.

Power cables LV / MV / HV	Copper or aluminium conductors, XLPE insulated, to IEC
Building wires and control cables	PVC and LSZH insulated, to IEC / BS
Distribution transformers	Oil immersed, 25 kVA to 5 MVA
Switchgear and panel boards	LV and MV assemblies to IEC 61439

Food & agriculture

Dates, refined sugar, edible oils, dairy and milled products.

Premium dates and date paste	Medjool, Khalas, Sukkari; bulk and retail packs
Refined white sugar ICUMSA 45	50 kg bags or 1 MT jumbo bags
Refined edible oils	Sunflower, palm olein and blends; bottles to flexitank
Dairy products and juices	Milk powders, UHT milk and long-life juices
Wheat flour and pasta	Bakery and all-purpose flours; dry pasta

Pharma & healthcare

GMP-certified generic medicines and medical consumables.

Generic medicines	Tablets, capsules and injectables; GMP certified, dossiers available
Medical consumables	Syringes, IV sets, gloves and masks

Packaging & paper

PET preforms, corrugated cartons and tissue products.

PET preforms and bottles	Water, beverage and edible oil formats
Corrugated cartons	3 and 5 ply, printed to order
Tissue and paper products	Jumbo reels and converted products

Solar & industrial

Solar mounting structures, steel buildings, tanks and trailers.

Solar mounting structures	Galvanised steel and aluminium; fixed tilt and tracker
Pre-engineered steel buildings	Warehouses, factories and hangars, designed to order
Storage tanks and pressure vessels	API 650 / ASME, for water, fuel and chemicals
Trailers and truck bodies	Flatbed, tanker, tipper and container chassis

From request to delivery in four moves.

01 Select and submit

Choose products from our catalogue, set quantities and destination, and submit an order of USD 1 million or more online.

02 Pro-forma and verification

Within two business days you receive a pro-forma invoice, production schedule and compliance checklist.

03 Contract and finance

We sign one sales contract with you and, if requested, arrange export financing with our partner institutions.

04 Production, inspection, shipment

Goods are produced, independently inspected, documented with a UAE certificate of origin and shipped on your Incoterm.

INCLUDED IN EVERY ORDER

Certified UAE origin

Certificate of origin and manufacturer declarations for every consignment.

Independent inspection

Third-party quality and quantity inspection before loading.

One set of documents

One contract, one invoice and consolidated shipping documents.

Secure payment

Letters of credit, documentary collection or financed terms.

Buy now. Pay over time.

Large orders should not wait for budgets. We structure financing so that UAE goods reach you now and are paid for over time.

Up to 90%

Direct buyer loans

Financing of up to 90% of the export contract value for government and private buyers.

Up to 100%

Credit lines via your bank

Revolving lines opened with banks in your country, for recurring purchases.

Up to 15 years

Long tenors

Repayment periods matched to projects and capital goods, fixed or floating rate, in USD or AED.

Guarantees

Payment guarantees

Guarantees issued to your lender so that it can fund your purchase of UAE goods.

Financing is arranged with our export-credit and banking partners and is subject to eligibility, due diligence and credit approval. Minimum financed amounts apply by product.

How to order.

Minimum order	USD 1,000,000 per contract. Several product lines and sectors may be combined.
Pricing	Firm pro-forma invoice within two business days of a complete order; validity stated on each pro-forma.
Incoterms 2020	FOB, CFR, CIF, DAP and DDP, from UAE ports or to your named destination.
Payment	Irrevocable letter of credit, documentary collection, bank transfer, or financed terms for qualified buyers.
Documents	Commercial invoice, packing list, bill of lading or airway bill, UAE certificate of origin, inspection certificate and product certificates.
Quality	Independent pre-shipment inspection of quality and quantity; product standards stated on the pro-forma.
Compliance	Know-your-customer checks, sanctions screening and export-control review on every buyer and order.
Languages	English, Italian, French and Spanish.

Ready to source from the UAE?

Tell us what you need. Our trade desk replies with a pro-forma within two business days.
